

Mt Buller Stakeholder Consultative Committee

Key Themes

Meeting #2

The following topics were discussed at the meeting on 28 March 2024.

Mt Buller discussion points

- **New Staff – General Manager** – Alan Arthur, commencing on 15 April. He has a diverse background across the public and private sector.
- **Winter Transport and Parking arrangements** – Several initiatives to improve visitor experience, safety and carpark utilisation will be used this year based on feedback from visitors and stakeholders.
- **Corn Hill Road** – Works will commence on the next stage of repairs after the Snow Season.
- **Service Charges** – Confirmed that the total collection from service charges will increase by 5%, allocated to properties based on the capital improved value.

ARV Discussion Points

- **Bushfire Insurance** – Recommended changes will require changes to the Standard Alpine Lease, which State Government is currently reviewing.
- **Alpine Resorts Strategic Plan** – Feedback has been provided by the SCCs which is being incorporated into the Strategy where relevant. The Plan will then go to the Minister for approval.
- **Resort Capacity Analysis** – ARV is currently in market for a consultant to deliver this project.
- **Alpine Leasing Policy** – The stakeholder reference group has now been established with representatives from all the SCCs plus representation from the finance and real estate/development sectors.
- **Southern Resorts Dispersal Research Findings** – Research was commissioned by ARV to better understand the role that the Southern Resorts play as 'feeders' to the Northern Resorts, and the journey first-time snow visitor take when they progress to skiing/snowboarding.

Next meeting

Thursday 13 June 2024.
